

Seaton Roads (Phases 3-4) Class EA Study

Thursday April 23, 2015 - Open House 5:00 to 8:00 pm
Petticoat Creek Library, 470 Kingston Road West, Pickering

The Seaton Landowners Group, in consultation with the City of Pickering, are undertaking a Class Environmental Assessment (Class EA) study to confirm the characteristics of the following roads within the Seaton community:

- Road I - North-South Type C Arterial (Sideline 24)
- Road IV - East-West Special Type C Arterial
- Road VI - East-West Employment Collector

The purpose of the Class EA Study is to determine the preferred alignments for these roads in accordance with the Central Pickering Development Plan, 2006 as amended 2012, City of Pickering Official Plan and the Seaton Master Environmental Servicing Plan, as amended June 2013 (MESPA). The roads have been planned to ensure long term transportation demands can be accommodated in the Seaton community with minimal disruption to the natural and social environment.

This Class EA Study for the road projects is being completed in two parts. Part one, which was documented in the MESPA, consisted of Phases 1 and 2 of the approved process for the Municipal Class EA as described in Schedule "C" of the Class EA document and also addressed the requirements of the Ministry of Infrastructure Public Work Class EA. This Study now being undertaken is in accordance with the approved process for Phases 3 and 4 of the Municipal Class EA document and with the Ministry of Infrastructure Class EA.

Please provide us with your comments by completing this Comment Sheet

1. Please tell us about your interests in the Seaton Community. Check any that apply:

- I live in the Seaton community
- I live nearby the Seaton community
- I am interested in how Seaton develops
- I am interested in how the roads are planned in Seaton
- I am not interested in this study
- Other, please specify: _____

2. Do you agree with the recommended characteristics of the roads as shown at this meeting? Please check one of the following:

Strongly Agree Agree Don't Know Disagree Strongly Disagree

Please indicate why you feel this way:

3. What comments or suggestions do you have about the study?

Your Name (Please print): _____

Address _____ Town _____

Postal Code _____ e-mail address _____

The MESPA was prepared to document the study process and conclusions. The report is available for public review at the City of Pickering Planning & Development (main floor), 1 The Esplanade (Monday to Friday, 8:30 a.m. to 4:30 p.m.) or at: www.pickering.ca/en/cityhall/seatoncommunity.asp

Thank you for your input!

Seaton Roads (Phases 3-4) Class EA Study Public Information Centre, April 23, 2015

Your input is important.

We invite your comments and questions about the project.

Please return the completed form by April 30, 2015
